Research Experience

WILFRID LAURIER UNIVERSITY, WATERLOO, ONTARIO

Research Assistant in Dr. Nicola (Nicky) Newton's Personality and Development in Adulthood lab (PanDA)

JAN. 2017 – APR. 2018

- Organized data for statistical analyses using Microsoft Excel, Word, and SPSS
- Regularly attended lab meetings to discuss research projects (e.g., deadlines and personal responsibilities, etc.)
- Transcribed telephone interviews using Microsoft Word, and Express Scribe software
- Entered participants' hard-copy data into the system
- Trained other research assistants regarding the interview transcription process
- Aided in the writing and development of a research report that was disseminated to participants and to the community

Unpaid Research Internship

SEPT. 2015 – MAY 2016

- Student-Community Research Partnerships for Social Justice and Wellbeing (SCRJ) internship, backed by the Centre for Community Research, Learning and Action (CCRLA)
- Worked with a professor, team of interns, research associate, and community partner to design and implement a community-based, participatory action research study

Research Assistantship in Dr. Todd Ferretti's Cognitive Psychology lab

SUMMER, 2015

- Assistantship acquired through the Undergraduate Student Research Awards (USRA) program
- Worked with graduate students to design and implement a study utilizing an EEG to explore language comprehension and temporal perspectives

Research Assistant in Dr. Christian Jordan's Social Psychology lab

2014 – 2015

- Assisted graduate students with observing and instructing participants, organizing time-slots, and setting up the implicit-association test (IAT) using MediaLab software

Other Experience

CRAWFORD & COMPANY CANADA, WATERLOO, ONTARIO

Junior Call Centre Agent in Claims Alert Division

2010

- Worked under pressure taking emergency insurance claims, including automobile accidents, fatalities, house fires, floods, and theft from the general public
- Successfully entered hundreds of claims from the general public, brokers, adjusters, and other clients into the Claims Alert database
- Demonstrated ability to use tact in delicate circumstances to handle customer complaints and defuse reactive clients

Office Support Worker for Appraisal Management Services

2007 – 2008

- Entered hundreds of car insurance claims into the Auto Appraisal database
- Was required to have an eye for detail, time management, professionalism in the workplace, and the ability to work independently
- Improved productivity by providing computer technical advice to coworkers to maximize efficiency and reduce time loss.
